## Summer Clearance Sale

Of such enormous magnitude that it will eclipse all previous records of bargain giving.

Summer Goods Must Go. Cash Must Be Realized.

The recent immense shipments of factories' surplus stocks made this a clearance sale of practically complete lines of almost endless assortment. All day Friday we were closed marking down these great stocks. We realize the mighty task we have undertaken to dispose of these summer footwear and have therefore entirely ignored their values and former prices. THE CUT HAS BEEN DEEP This is not a sale of a few odds and ends, broken sizes or out-of date shoes, but our entire stocks without reserve are at your mercy. All goods must be turned into cash at once. We caution you to let nothing keep you away tomorrow. The following few items can but give you a faint idea of this great bargain. They must be seen if you want to fully realize the great savings.
